AS A CORPORATION, YOU ARE SUBJECT TO STATE TAX LAWS. **UNANIMOUS WRITTEN CONSENT BY THE BOARD OF DIRECTORS OF THE
SELKIRK ISLAND MAINTENANCE SECTIONS I, II & ADDITION "A", INC.
(Consolidation of Lots)**

WHEREAS, the Board of Directors (the "Board") for Selkirk Maintenance Sections I, II and Addition "A", Inc. (the "Improvement Committee") desires to adopt a uniform policy for the consolidation of lots located within Selkirk Island, Sections I, II and Addition "A", Inc.(Section); and

WHEREAS, such consolidation of lots into a building site must be approved by the Board;

NOW THEREFORE, the undersigned parties constitute the entire Board of the Improvement Committee and do hereby adopt the following resolutions:

RESOLVED, the owner of two (2) or more lots which are immediately adjacent to one another (or immediately or diagonally across the street from each other as illustrated on Exhibit "A" attached) may consolidate such lots and ~~designate a part of a lot, or any combination of lots or portions of lots~~ to be the building site or building sites for purposes of constructing a single family residence which satisfies the requirements of the applicable restrictive covenants. In such event, the construction of a single family residence upon such designated building site shall satisfy the requirement of constructing a single family residence on all such commonly owned lots. In no case shall the resulting building site or building sites be smaller in size than the smallest lot owned by such owner as shown on the original subdivision plat. In consolidating two (2) or more lots, the owner shall be entitled to replat such consolidated lots so as to adjust the front, rear and side lines of such consolidated lots and the owner shall be responsible for any and all costs and expenses associated with such replatting. Such owner shall also be responsible for complying with any and all governmental requirements associated with such lots. Improvements, limited to the improvements permitted in the reservations, restrictions, covenants and conditions (Declarations) of each respective Section, may be constructed on any such consolidated lot(s) in accordance with the new front, rear and side lines thereof (provided such owner has otherwise satisfied all applicable governmental requirements). The Board acting in an Architectural Control capacity shall have the right to approve all improvements constructed on the lots (as required by the reservations, restrictions, covenants and conditions (Declarations)). Notwithstanding the foregoing, all future maintenance charges payable by the owner of multiple lots combined into one building site shall be based upon the maintenance charge for each of the originally platted lots so combined. If, in the future, any consolidated or merged lots which share common ownership are sold or conveyed such that the lots no longer share common ownership, each such lot (which was previously consolidated and merged) must thereafter independently satisfy all requirements of the restrictive covenants, including, without limitation, the obligation of each lot to contain a single family residence as required by the restrictions.

IN WITNESS THEREOF, we being the Board of Directors of Selkirk Island Maintenance, Sections I, II, and Addition A, Inc. have hereto set our hands this 11th day of January of 2009.
